Mayor's **Message**

Welcome to your city, the city of Las Vegas.

Las Vegas continues to capture the world's imagination as the city where anything is possible. With world-class hotels, award-winning restaurants, luxurious resorts, fantastic shopping, major league sports and spectacular entertainment, you already know all that! But most importantly, Las Vegas is our home.

When I think about summer, my mind returns to the days when I was raising four small children in our beautiful city, and keeping them busy, learning and productive were always challenges. Yet because of the great weather, we had so much fun visiting parks, taking hikes, exploring the desert, and enjoying using the pools and courts at local community centers. We even enjoyed arts and crafts, classes, concerts, plays and other activities.

Wonderful memories were created for us in our family, and today families can still discover the fun that our city offers through programming by the city of Las Vegas. We have created a simple guide that easily allows you to find a city program and explore all that we offer to you.

Please take a few minutes to look through this publication and discover the activities that are right for you and your family. Options include sports, the arts, swim lessons, e-sports, educational programs and more.

It's all here for you as you Discover Las Vegas!

Arts & Culture

The city's Office of Cultural Affairs presents local, national and international artists and engages our local arts organizations and artists in partnerships to deliver excellence in arts experiences that create a more livable and vibrant city. Each year, we have a season lineup of gallery events and exhibitions, spoken word and poetry events, musical and dance performances, workshops and spring/summer camps, creative arts education classes, live theatre productions and cultural festivals.

For information on our arts and culture programs, please call 702.229.ARTS.

PUBLIC ART & GALLERIES

The city's Public Art Program is funded in part by the Percent for the Arts ordinance and overseen by the Las Vegas Arts Commission. The Commission was established in 1987 and is responsible for encouraging the creation of permanent and temporary public art projects that transform public space, stimulate intellectual discourse and celebrate cultural diversity. These projects enhance our community by placing site-specific permanent and temporary artworks throughout the city to celebrate our diverse heritage and landscape, thus establishing neighborhood identity, encouraging dialogue and generating tourism.

The city programs more than 20 exhibitions in seven gallery spaces each year.

PERFORMANCES & FESTIVALS

More than 75 performances and festivals are held in the city annually. Our Guest Artists Series includes presentations of local, national and international performing artists from a variety of genres including music, dance, theatre, film, storytelling and multi-media presentations. The Rainbow Company Youth Theatre, now in its 45th season, is an award-winning youth theatre company producing six shows a year. Shows include one full-length musical, three plays inspired by children's literature, one original script based on Nevada's state history which tours to schools throughout the Clark County School District, and a showcase of the student ensemble that is written, created and produced entirely by the students. In addition, performances by local artists and arts organizations are staged throughout the city in various parks and non-traditional performance locations, utilizing the city's mobile stage.

ARTS EDUCATION

Offering more than 1,000 classes, camps and workshops each year, arts and humanities education is at the heart of cultural programs for Las Vegas residents. The city offers arts classes that are designed to mold amateur artists in a guided, dynamic and studio-style program tailored to the needs of each student. These open-enrollment classes encourage exploration while creating the opportunity for each student to experience a diverse performing and visual arts education. Classes for all ages are offered year-round in six-week session blocks, in a variety of artistic practices including music, dance, theatre, visual arts, recording engineering, video production and creative writing.

Other offerings include, salon-style artist critiques by master artists for local artists, and master classes and workshops with local and nationally renowned artists to teach technical skills in specialized mediums. Gallery workshops are offered by exhibiting artists to enrich students' experience visiting the galleries throughout Las Vegas.

To register for any of our arts and cultural classes, please visit registration.lasvegasnevada.gov.

THEATRE & ENSEMBLES

For the committed arts student, there are options for year-round, intensive study in theatre and dance through the Rainbow Company Youth Theatre Ensemble, the West Las Vegas Arts Center Performance Youth Ensemble and Contemporary West Dance Theatre's ARTSWORK.

Recreation

FROM TOTS AND TEENS TO OUR TOTALLY AWESOME ACTIVE ADULTS, WE HAVE SOMETHING FOR EVERYONE!

The city's Department of Parks and Recreation was established in 1949 and is one of the oldest departments within the city of Las Vegas organization. From day one, the focus has always been to provide the best recreational experience to the residents of Las Vegas.

We are proud to operate and manage some of the most beautiful sports facilities in Nevada. The city coordinates the allocation process and reservations of all athletic fields in the city, for both city-owned sports fields and fields on Clark County School District campuses.

Our more than 80 parks throughout the city serve as an oasis to those that want to explore the great outdoors. Our parks range from small neighborhood parks to 100+ acre regional parks. The parks offer the

traditional playgrounds and park pavilions, ponds, historic landmarks and more. You never know what you might find in one of our parks.

The city hosts thousands of classes, programs, workshops and events every year at our recreation centers, senior/active adult centers, sports complexes and our swimming pools. We are very proud of our robust adaptive recreation program that is for youth and adults of all abilities.

Come take a look at what lies beyond the neon
in parks and recreation.

For information, please call 702.229.PLAY.

AQUATICS

Welcome to the award-winning city aquatics programs. We provide a large selection of programs and experiences for all ages and abilities, including from learn to swim lessons, water exercise and therapy, American Red Cross lifeguard trainings, home-school classes, diving teams, special events, synchronized swimming, water polo and much more throughout the year.

The city of Las Vegas is proud to offer the American Red Cross Swimming and Water Safety program, which combines the best in swim instruction with an even stronger emphasis on drowning prevention and water safety. This program is ideal for anyone who wants to enjoy the water safely, regardless of age or skill level. Throughout the three levels of the preschool aquatics program, preschool-age children (ages 3-5) are taught basic safety and survival skills. They are also encouraged to gain greater independence and increase their comfort level in and around the water. Designed to help participants (ages 6-11) achieve maximum success, Learn-to-Swim courses are based on a logical, six-level progression that helps swimmers with varying abilities develop their water safety, survival and swim skills. Our parent and child class aims to familiarize children (ages 18 months-3 years) with the water and teach swimming readiness

skills. Our teen and adult class (ages 12 and up) is an at-your-own-pace swim program and gives every participant the opportunity to improve their skills and achieve their individual goals.

For a full list of programs, visit registration.lasvegasnevada.gov/ and click on the Aquatics tab.

Programs and events are offered at the following locations:

- Baker Pool, 1020 E. St. Louis Ave.
- Carlos L Martinez & Darrio J. Hall Family Pool at Gary Reese Freedom Park (CMDH), 889 N. Pecos Road
- Doolittle Pool (closed for renovations until July 4), 1950 N. J. St.

Youth Development

YOUTH DEVELOPMENT & OUT-OF-SCHOOL-TIME PROGRAMS

The Department of Youth Development and Social Innovation (YDSI) is organized under two main areas of focus- educational initiatives and equity Initiatives. The city works to supplement education through high quality preschool programs, before- and after-school programming and community partnerships designed to improve educational achievement, attendance and graduation rates. We are also working to improve our community through social justice programs, increasing equity and opportunities through innovation.

YDSI focuses on:

- Strong Start through childhood education and the city's Strong Start Preschool Academies.
- Strong Schools through ReInvent Schools Las Vegas, Safekey before- and after-school programs and individual school support.
- Strong Future through post-secondary options and school-to-career pathways through Batteries Included, Batteries Included NextGen, college tours, paid internships and workforce education training programs. Strong Community through:
 - The Mayor's Faith Initiative
 - Las Vegas My Brother's Keeper Alliance
 - Harbor Juvenile Assessment Center
 - Youth Neighborhood Association Partnership Program
 - AmeriCorps Service
 - Member State Program
 - Latino Network of Southern Nevada

BEFORE & AFTER-SCHOOL PROGRAMS

ReInvent Schools Las Vegas

Launched in 2016, ReInvent Schools Las Vegas (RSLV) is a collaboration between the city, the Clark County School District, University of Nevada-Las Vegas, local businesses and non-profit organizations to improve outcomes for the Las Vegas community. Using the full-service community schools model, RSLV focuses on providing out-of-school learning opportunities, academic enrichment, student social-emotional support, improved family partnership and community engagement. AmeriCorps members provide services to address students' chronic absenteeism, provide academic support and/or social-emotional interventions, as well as physical activity and nutrition curriculum programming.

ReInvent After-School Program

The ReInvent After-School Program is comprised of Clark County School District students in elementary grades kindergarten through fifth at seven identified school sites. The program, funded by the 21st Century Community Learning Center grant, offers students a broad array of support services and activities before and after school, at no cost to families. The seven sites provide academic growth opportunities and enrichment activities, along with family engagement programming. Participating students receive daily instruction in core subject areas as well as the opportunity to participate in enrichment activities. Daily activity examples include project-based learning, learning through literature and STEAM (science, technology, engineering, arts and mathematics) curriculum.

Safekey

Safekey is a before- and after-school youth enrichment program offered at Clark County School District elementary schools within the city of Las Vegas. It is designed for children attending kindergarten through fifth grade. Safekey is a fee-based program offering enrichment activities for any interest—including physical fitness, nutrition education, Reader's Theatre, STEAM (science, technology, engineering, arts and mathematics) activities, homework help and a healthy afternoon snack. Safekey accepts third-party childcare subsidy assistance. For more information, please visit www.lasvegasnevada.gov/safekey.

PRE-K

Strong Start GO! Mobile Pre-K

The Strong Start GO! Mobile Pre-K Academy provides families in underserved communities with a unique opportunity to attend a high-quality early learning program in their neighborhood. During production, standard RVs are transformed into the mobile preschool classrooms, complete with a restroom, learning centers and traditional preschool furniture and equipment. Strong Start GO! Mobile Pre-K Academies offer half-day preschool programs for children ages 3-5 and focus on the academic, social emotional and physical development of each child in addition to providing families with opportunities to engage in their child's learning. Strong Start GO! Mobile Pre-K Academies serve four locations and a maximum of 20 students per location.

Strong Start Academies

Strong Start Early Learning Academies provide free, high-quality, early-childhood education programs for children ages 0-5 with a focus on increasing access to care and supporting children to enter kindergarten ready to learn. Strong Start Academies offer a nurturing classroom environment for young children that promotes the physical, social emotional and academic development of each child.

YOUTH EMPLOYMENT PROGRAMS & INTERNSHIPS

Strong Future Youth Employment Program

The Strong Future Youth Employment Program connects youth to authentic work experience. This program provides an innovative and productive solution to obtaining work readiness. Youth participate in workforce readiness training taught by a variety of community stakeholders where they learn about effective resume writing, communication, interview techniques, self-branding, time management and professionalism. The Strong Future Youth are connected with hands-on work experiences, both paid and unpaid.

Strong Future Technology Training Center

The training center has opened doors to opportunities to engage youth and young adults ages 16-24 in gaining skills in technology that prepare them for in-demand, high-wage technology careers. Through work-based training, youth participants are able to earn certificates or stackable credentials in the technology areas listed below, along with job placement assistance:

- Coding
- Application Development
- Esports, Streaming, and Virtual Reality Gaming
- Video, Music, Game and Event Production
- Photography
- Graphic Design
- Cybersecurity
- Drone Certification

Youth Neighborhood Association Partnership Program

This program is a collaboration of youth, neighborhoods and government, allowing youth to take part in neighborhood improvement projects of their own design. Youth from ages 8 to 18 implement projects that meet a pressing need and have the potential to positively influence their neighbors' lives. Grants of up to \$1,250 are provided to youth groups, which they then must match with volunteer labor, supplies or cash. Since the program began in 2000, 622 projects have been granted more than \$567,728 in funding, and students have brought in an astounding \$5.5 million in matching funding.

Community Services

NEIGHBORHOOD SERVICES

When neighborhood-based organizations have a vision for the future and the volunteers to make it happen, wonderful things can be achieved. The Office of Community Services supports a wide array of events. The city meets neighbors where they are by lending technical support to community initiatives that will be transformational in ways that are culturally respectful and inclusive.

VOLUNTEER & SERVICE OPPORTUNITIES

Citywide Volunteer Program

Volunteers from youth organizations, nonprofits, businesses, faith-based organizations and neighborhood-based associations are invited to participate in cleanups that help rejuvenate the neighborhood and enhance a pride of place.

The city will provide supplies and help coordinate volunteer activities such as painting fire hydrants and curbs and picking up litter to help beautify neighborhoods. While cleanups take place throughout the city, most cleanups are in older neighborhoods within the city's urban core.

Volunteers must be at least 12 years of age. Adults will be required to sign a city waiver prior to participation while parents or guardians will need to sign a waiver for their children under the age of 18. The city will pair volunteers with cleanups that have been planned and scheduled.

Want to dedicate you time to a particular place within the city? Organizations that would like to regularly pick up litter and paint over graffiti in a specific location are encouraged to be a part of the Keep Las Vegas Beautiful Adopt-A-Spot program. Adopt-A-Spot locations are designated in high-priority areas, and the city will provide volunteers with supplies as long as volunteers report the number of bags filled, volunteer participants and items painted for each cleanup day. The city will supply gloves and plastic bags as well as paint and brushes, if required.

Neighborhood-based organizations – homeowners associations, neighborhood associations, Neighborhood Watch groups, etc. – may also host their own cleanups and request supplies from the city. These neighborhood groups must be active organizations that are registered with the city. The city may loan for a day or for a weekend supplies such as rakes, shovels, wheelbarrows and brooms, dependent on available inventory. Registered neighborhoods may also purchase supplies through the city's Neighborhood Partners Fund, a competitive grant program.

Please call 702.229.2330 if your organizations would like more information or would like to participate in the Citywide Volunteer Program.

Volunteers in Parks (VIP)

A special partnership between Get Outdoors Nevada (GON) and the city of Las Vegas encourages volunteers to give back closer to home and promote the long-term stewardship of their neighborhood parks. GON will host at least two organized cleanup and beautification events per year in each of the six city council wards. Volunteers can look forward to helping with tree plantings, trash pickup, graffiti removal, and park landscaping improvements. For a list of upcoming events in your area, please visit <https://getoutdoorsnevada.org/volunteer/#volunteer/#volunteer-in-parks>.

COMMISSIONS & OTHER BOARDS

Boards

The city has many different boards and commissions and we are always looking for interested community members.

Listed below are just samples. You can view current openings or submit an interest form at <https://lasvegasnevada.gov/Government/Boards-Commissions> or contact the City Clerk's Office at CityClerk@lasvegasnevada.gov

- Arts Commission—Responsible for the creation of permanent and temporary public art projects and contributing to a sense of place that fosters creative enterprise, generates cultural tourism and keeps Las Vegas at the forefront of global interest.
- Neighborhood Partners Fund Board—Reviews applications and recommends awards to the City Council.
- Parks And Recreation Advisory Commission—Makes recommendations on matters pertaining to public parks and public recreation.
- Senior Citizens Advisory Board—Acts in an advisory capacity on matters pertaining to the senior community.
- Youth Neighborhood Association Partnership Program Board - Makes recommendations to City Council for neighborhood improvement grants
- The Community Development Recommending Board (CDRB)—represent the concerns and opinions of the community by advising the city of Las Vegas on the allocation of funds for the Community Development Block Grant Program (CDBG), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) Grant.

The Las Vegas Centennial Commission was formed in 2003 to plan, organize, coordinate, and implement activities and educational programming associated with the City's Centennial to commemorate the 1905 founding of the community of Las Vegas. Grants from the Commission are intended to encourage preservation at the local level by providing funding to facilitate the education, commemoration, preservation and enhancement of historic resources in Las Vegas.

GRANTS & HOMELESS SERVICES

GRANTS

The city of Las Vegas administers several HUD grants such as the Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), Home Investment Partnerships (HOME), and Housing Opportunities for People with Aids (HOPWA). Funding supports community agencies and non profits who offer programs and services that create safe and livable communities, provide economic opportunities for individuals with low to moderate incomes, promote educational enrichment, and prevent or reduces homelessness. In addition, the City partners with developers to create and maintain existing affordable housing units.

The Neighborhood Partners Fund is designed to assist in improving the livability of city of Las Vegas neighborhoods through matched funding for neighborhood improvement projects. Neighborhood associations, homeowners associations or business associations whose primary purpose is neighborhood improvement may apply.

HOMELESS SERVICES

The city is focused on the Courtyard Homeless Resource Center, a starting point where homeless individuals can go to access resources all in one place within the Corridor of Hope, at 314 Foremaster Lane. Currently, the Courtyard is open seven days a week, 24 hours a day. Get help by calling 702.229.6117 or courtyardHRC@lasvegasnevada.gov. In addition, the city's homeless outreach, or MORE (Multi-agency Outreach Resource Engagement), team can be reached at 702.229.MORE (6673).

By offering a one-stop shop with access to medical, housing and employment services through a variety of partners, the cycle of homelessness can be broken. The initial phase of the Courtyard opened in 2017 and now the city is moving forward with phase 2. This build-out will result in new buildings with classrooms, an intake center, shower and restroom facilities, and areas for service providers to assist homeless individuals. The Courtyard will also feature mailboxes and a pet kennel.

While construction is occurring at 1401 Las Vegas Blvd. North, the Courtyard will continue to operate at its current location at Foremaster Lane and Las Vegas Boulevard, across from Catholic Charities.

Since August 2017, the city and service providers at the Courtyard have been assisting in getting homeless off the streets and into housing. Through the Courtyard, the city has connected those in need to mental health providers, legal assistance and job information.

Community Spaces

CITY FACILITIES AND PARKS

They city serves a very diverse community and offers community centers, senior and active adult centers, arts and cultural centers, preschools and more than 80 parks and 100 miles of trails.

Parks are essential to the health and well-being of our entire community. They provide an equal opportunity for all to breathe fresh air, engage in exercise, spend quality time with family and friends or escape for some meditation and alone time.

The city's dedication does not stop with just parks. Our community spaces offer hundreds of programs for all ages and abilities. Programs range from recreation to education, fitness, dance and theatre, and aquatics to adaptive programs. We help families in need with our food distribution programs and financial assistance, so no child is turned away for the inability to pay.

RENTALS/FACILITY RESERVATIONS & PERMITS

Special Events

The Special Events Unit assists local, regional and national event coordinators on permitting, logistics, necessary approvals, and more for any large-scale event that takes places within the city of Las Vegas jurisdiction. We host hundreds of events every year throughout the city to include a monthly First Friday celebration, Life Is Beautiful Festival, Rock n Roll Run Marathon, Mint 400, The Great Santa Run, spectacular parades and more.

For specific questions about an event permit, please call 702.229.6171.

Park Special Events

Parks have the power to build strong and resilient communities, foster healthy environments for all to enjoy and bring our community to life. The Park Special Events Unit issues permits for the use of park areas and facilities to the general public for recreation activities and programs. A park special event permit is needed when 200 or more people are expected at a park pavilion or picnic shelter, 75 or more are expected at an area other than park pavilion or picnic shelter, or other special event elements are brought into the park. Park special events include weddings, family reunions, farmers markets, music and cultural festivals, company picnics and more. We aim to inspire community groups, organizers and individuals who want to activate the power of parks through programs, events, resources and professional services. Our team is happy to guide you through the process of obtaining the appropriate park use permits.

For questions about a park event permit, please call 702.229.1087.

Picnic Shelter Reservations

Park pavilions are available for groups up to 200 people and cost between \$15—\$75 per hour, depending on the size of your group. In addition to shade, some of these areas have large tables and barbecue grills. To reserve a park pavilion or picnic shelter, contact our reservations line at 702.229.6718.

Looking for a theatre, ballroom, wedding location, indoor theater or outdoor amphitheater to host your event? The city has all of those locations and more available. If you are in need of a mobile stage, we also have those available to rent for your event.

Please call 702.229.ARTS for more information.

A woman with long dark hair, wearing a red polo shirt, is leaning over a table, looking down at a young boy with red hair who is wearing a colorful patterned sweater. The boy is looking at a cup of red liquid. To his left, a girl with dark hair and sunglasses, wearing a black jacket with a blue collar, is holding a white spoon over a cup of red liquid. Further left, another girl with curly hair and a colorful headband, wearing a blue polo shirt, is looking at a cup of blue liquid. On the table are several clear plastic cups containing liquids of different colors: red, blue, black, green, and orange. The background is a wall with large, colorful abstract shapes in blue, red, and green.
